

February 2020

Dear Parents,

This summer, Akron Rotary Camp is partnering with CampDoc to better serve our participants and staff. CampDoc offers an electronic health record system for camps, and you can now complete your participant's health information electronically.

The security and privacy of your participant's health information is important to us. The CampDoc site is secure, encrypted, and password protected. You can find additional information about CampDoc privacy and security information at www.docnetwork.org/security.

CampDoc will be used for health information only and is not taking the place of camp registration. In order to register for camp, you will still need to complete the paper registration. Once you have submitted your paper registration to Akron Rotary Camp, the next step is that you will receive an "Invitation" email from CampDoc to input the health information.

- Click on the green "**Accept Invite**" link within the email to create your CampDoc account.
- In the **Confirm Email** box, type your email address in order to confirm.
- In the **Password** box, type the password that you want to use.
- Click the **CONTINUE** button.

After you log in, select your participant's name and click on the health profile link to complete your participant's information.

Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you are on a phone/tablet, you can take a picture to upload the document.

Keep in mind that you can return to app.campdoc.com at any time to make updates to your participant's health information before your program begins. You can log in using the email address and password you previously created.

We are excited to let you know that your participant's health information will save from year-to-year, so once you complete it in CampDoc this season, you will not have to start from scratch next year.

Additionally, CampDoc sends out periodic reminder emails for incomplete health information. These notifications come from campdoc.com, so please add this to your safe sender list to avoid accidental delivery to junk and spam folders. We do not want you to miss important notices about Akron Rotary Camp!

Please note that CampDoc supports the current and previous major releases of [Chrome](#), [Firefox](#), [Microsoft Edge](#), and [Safari](#), which provide improved security and performance for health information.

For additional assistance setting up your CampDoc account, if you need help with your password or uploading documents, you can navigate to support.campdoc.com or contact our Support Team at support@campdoc.com or 734-619-8300.

If you are having trouble accessing a computer or need assistance with filling out the medical information, you can contact as Akron Rotary Camp, (330) 644-4512 and ask for Cindy Wilfong, RN or Tina Gardner.

We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your family!

We can't wait to see you this summer,

Dan Reynolds
Director of Endless Possibilities, Akron Rotary Camp
